

# Visibility at North Kessock

Should be assessed at the start of each shore watch and recorded using the input codes below

Input Code	Distance	Description
1	<1 km	<b>Bad:</b> Do not carry out a Shorewatch if you can't see the other side of the Firth!
2	1-5 km	<b>Poor:</b> can see to the top of the 2nd tree covered hill above Clachnaharry, with the mast/tower on it.
3	6-10 km	<b>Moderate:</b> Looking straight out over Inverness, you can see to the first line of hills covered in green fields behind the city, but not the next line of hills
4	11-15 km	<b>Good:</b>
5	16-20 km	<b>Very Good:</b> You can see the top of the hill above loch ness, beyond the hills behind the city, to the right. It's rounded and has a metal tower on the top of it.
6	>20km	<b>Excellent:</b> you can see the distant hills beyond Inverness
